

RESONANCE

HELPING WOMEN CHANGE. FOR GOOD.

“I am looking
TOWARD my **FUTURE**
instead of blaming
my past.”

-Tracey R

“I am **LOVED**,
and I see that now. I am
not inadequate, and I’m
WORTH MORE than I
have ever been given.”

-Brittany W

“I began this program
unsure, insecure,
untrusting and anxious.
I am now learning who
Alice is; every day. I’m an
acquired taste, and I have
seen a **COMPLETE**
TRANSFORMATION
in my thought process.”

-Alice L

RESONANCE

Resonance has long been at the forefront of helping women involved in the criminal justice system rebuild their lives and create a fresh new beginning. And we will continue to do so because the need never stops. Resonance serves hundreds of women through addiction treatment and prison-to-community reentry programs, and this year extending our reach through a satellite office in Oklahoma City. We know when justice involved women become clean and sober, employed and serving as role models for their children, our community becomes a better place.

RESONANCE HELPS WOMEN SUCCEED.

Intensive outpatient addiction treatment in lieu of incarceration

Intensive addiction treatment during incarceration

Reentry services to help women release from prison to a job and safe, sober housing

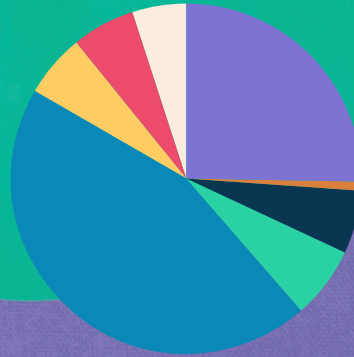

Mentoring and continued education

Transitional employment and housing through Take 2: A Resonance Café

Assessments, classes and financial support for drivers' license reinstatement
